Qualified Contractors for IFC 510 and Emergency Responder Radio Coverage Testing

No recommendation is given or implied by the Cherokee County Fire Marshal's Office.

Initial needs testing and final commissioning testing must be performed by an approved contractor.

(See list below) Final acceptance inspections are completed by Cherokee County FMO personnel.

Plans must be reviewed and approved by the FMO prior to installation of or modification to an IFC 510/ERRC system. The Cherokee County Fire Marshal's Office (CCFMO) plan review process is, as follows:

Plans are submitted online through the CityView portal under "apply for a building permit".

If you need help please call 770-721-7812 or 770-721-7816.

There is a digital upload fee of \$50.00 and a \$100.00 plan review fee.

After plan approval by the FMO, appropriate permits must be obtained through the CityView portal.

Only firms with persons holding a FCC "General Radio Operators" can be issued a permit and installation must be supervised by the licensed technicians.
